Lois said that she is still going to be Communications officer and Sandi asked that items for the newsletter be given to her by December 13, 2008. She also would like to have articles turned in to her ready to print. She will also put upcoming deadlines into the newsletter.

Jackie and Eileen announced that the Arlene Newman Seminar would consist of a one day workshop on the structure of strokes and the other day would be an actual stroke project.

A Susan Schewee seminar , on March 27, 28, and 29, was discussed. A hand count showed that only about 15 people were interested and she would need 20 minimum to make it a "go".

The purchase of the projector was also discussed. A motion was made to purchase the projector and a camcorder by Cindy Bauer and was seconded by Audrey Hodges.

Lois asked that everyone get their dues in if they want to be in the 2009 directory.
