PPDP Seminars

Our Maureen Baker seminar is fast approaching, April 25 and 26. We have openings for this wonderful opportunity to paint with Maureen, please contact Carolyn Culwell for more information.

Please keep in mind to please vote only if you are planning to attend the Retreat. It will be September before we know it and Annamarie will need plenty of time to prepare several surfaces for each of us.

Per a request at the last meeting, I have been in contact with Linda Sharp discussing a seminar next year with one day of mudding and a second day of acrylic painting. We are hoping to hold this seminar in either April or June, 2021. More information to follow. Carolyn

HPDA Seminar

This chapter has opened it's doors for a seminar with Shara Reiner on June 13 and 14, 2020. Please contact Carolyn

HPDA / RMHi Sponsored Seminar

These chapter have opened it's doors for a seminar with Mark Polomchak on August 15 and 16, 2020.

Outreach

Memory boxes

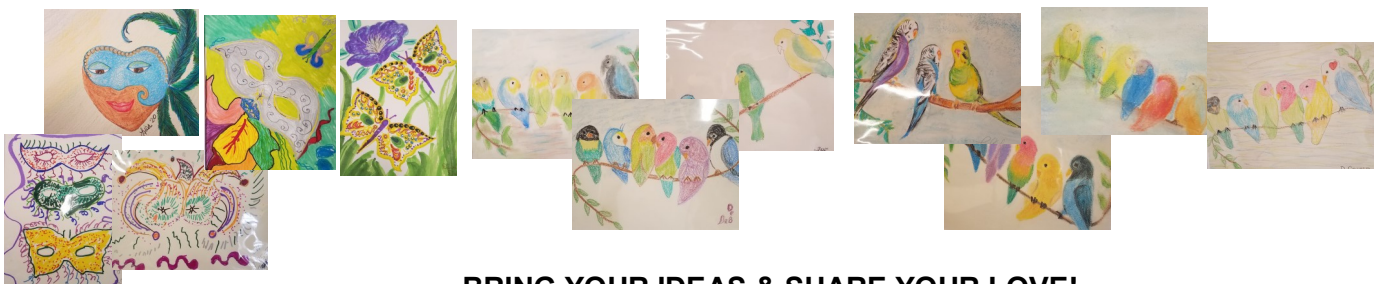

Memory boxes are given to the parents that have lost their newborn. It gives them a special box to carry their few mementos of their lost little love. You make such a difference when you share your talent with these families who suffer this loss.

We turned in 94 boxes in 2019. The hospital does not need small boxes at this time but do need the medium size boxes. Thank you, Maddie White

Traumatic Brain Injury Class

We teach painting classes to individuals with traumatic brain injuries the 2nd and 4th Tuesday afternoons each month, 1:30pm to 3pm, with setup at 1pm. Classes are held in the cafeteria at: Encompass Health Rehab Hospital, 325 S Parkside Dr. Our classes are offered through the Brain Injury Alliance Colorado.

Everyone is welcome to come visit or help!!! Just check in with the receptionist and tell her you are here for the art class. Someone will direct you to us in the cafeteria. Thank you, Terry Niznik
