Seminars Report

We are working on several Zoom classes for 2021. We thought we would try to do one day only seminars with Big Brush teachers. Of course, if we absolutely had to have them for two days we could work on that. Our thoughts were that staring at the computer and painting for two solid days was tiring. So we thought we would attempt to have several instructors for one day only. We have both chapters in mind for setting up these joint seminars. We are hoping to have these all set up in the next month or so and would begin these next year. Carolyn

Outreach

Traumatic Brain Injury Class

We teach painting classes to individuals with traumatic brain injuries the 2nd and 4th Tuesday afternoons each month, 1:30pm to 3pm, with setup at 1pm. Classes are held in the cafeteria at: Encompass Health Rehab Hospital, 325 S Parkside Dr. Our classes are offered through the Brain Injury Alliance Colorado.

Everyone is welcome to come visit or help!!! Just check in with the receptionist and tell her you are here for the art class. Someone will direct you to us in the cafeteria.

Thank you, Terry

BRING YOUR IDEAS & SHARE YOUR LOVE!

NOTE: We are still on hold to resume the TBI art classes. Because we meet at the rehab facility, we need to wait for them to allow us all back.

Memory boxes

Memory boxes are given to the parents that have lost their newborn. It gives them a special box to carry their few mementos of their lost little love. You make such a difference when you share your talent with these families who suffer this loss.

Thank you, Maddie

Even though we are not meeting in person, keep making memory boxes. They are still needed!

“Gnomes, Tomtes and Elves OH MY!” Christmas Party & Ornament Exchange

Hello Painting friends!

We are still planning on having our Christmas Party to close out this crazy year!

The Pinery is taking all the necessary precautions and have been having successful events for a few months now. The room is very large and we will be able to socialize with space between us! We will continue to monitor the situation and make changes if needed.

But for now plan on getting your party dresses out! Remember to paint your gnome ornament for our Gnome Wars Ornament game & exchange.

Remember if you want to paint a different subject that is ok too.

Ornament

Choice 1: Provide your own, any shape/size Christmas tree ornament

Choice 2: I will provide you a surface, free of charge! You just need to let me know so that I can get it to you safely!

There will be some improvements on this year's game!

1. The game will be limited to only 2 “steals”. The first person will be the only person that can steal the item “again”.
2. We came up with a “system” to keep track of the “steals”
3. We know that despite our best efforts not everyone can complete an ornament, plenty of additional finished ornaments will be provided for the after-game exchange to ensure we do not run short! Don't fret if you don't get one finished you can still participate!

And on a final note, we have added an additional 30 minutes to our party! That's right ladies it starts at 11 am and goes until 2pm. This allows for more time to visit and year end wrap up activities without being rushed! We will also be presenting a different menu, and the price has not been set yet. We will be going for the \$25 range that we have had this past few years so more to come on that!

We took everyone's feedback about the meals very seriously and these changes were the result. I hope that they are welcomed changes and as always please feel free to share your ideas with us so we can make the party a wonderful event for everyone!

Thank you – Christmas Party Committee Terry & Becky

Library Display

Call for artwork!! October is Decorative painting month and I need your painted items for display! The library is open and I will be setting it set up early October. The display stays about a month and is in a locked case. Any type of painted item is welcome!

If you are interested please let me know and I will arrange to pick up your items. Please wrap your items carefully to prevent damage. Thank you, Becky

Owls Projects - Wendy Goldberg

I appreciate your interest and questions regarding my HOOT owls! Prior to the shut-down, I had prepped backgrounds, had pattern packets, paint and all supplies in place to teach. We had two owls scheduled for HPDA and the other two for PPDP. Right now, it looks like this pandemic is going to be around for awhile. I miss seeing you all and painting together. Zoom classes are the next best thing! It is fun painting in pajamas and not having to pack up to go anywhere.

Here is my new plan. All four classes are on Zoom and are open to members of both chapters:

- Liberty Owl - Sat. Sept. 12th, 10-2
- Rusty Acorn - Sat. Sept. 26th, 10-2
- Daisy Owl - Sat. Oct. 10, 10-2
- Snowbelle Owl - Sat. Nov. 14, 10-2

Cost is \$40.00 per class - includes pattern packet/embellishments, surface with background prepped, teacher fee and JoSonja paints. Colored pencils are NOT included. If you sign up for all 4 classes, the cost will be \$150.00. (4 pattern packets/ embellishments, 4 surfaces with backgrounds prepped, teacher fees, JoSonja paints) This will apply to the first 15 people to register. We will arrange porch/garage pick-ups. After you register, I will provide a master list of JoSonja paint. (This technique does not work with DecoArt paint, so no conversions or substitutions.) If you pick up paint from me, you will need to provide your own paint cubbies/containers. I will also provide a master list of colored pencils.

You may call, text (303-717-9999) or e-mail (wendygoldberg@q.com) to register and arrange pick-up of supplies. There is some base-coating to be done before class. The deadline to register and pick-up is Aug. 15th.

Thanks again for your continued interest! Wendy

Frosted Wintertide

I want to let you know I will be teaching a class on Zoom on Saturday November 21, 10 - 3:30. The project is Frosted Wintertide. The kit includes the pattern pre-printed on BOTH the 8x10 and the 3 smaller units. The kit also includes embellishments for both and step-by-step pictures and instructions. It's so much fun, lots of sparkle and glitter. We wash on the paint (easy!) and shade with 3 colored pencils.

So here are the costs: You can order from www.erikajoanne.com and have everything shipped directly to you OR you can e-mail what you want to me and have zero shipping, and pick up from my porch.

Kits - \$15; 3 pencils - \$6; Palette - \$5 (JoSonja paint in containers); Small block set - \$13; Large 8x10 artist panel for mounting- \$10.

You don't have to buy everything, just what you need. You will need the kit. There is no prep, but I will offer a half hour quick zoom class ahead of time to do the background.

The teacher fee is \$25, for members of both chapters. The deadline to sign up so I can turn in a supply order is September 11th.

You may call, text (303-717-9999) or e-mail (wendygoldberg@q.com), Wendy
