Our project photo of the Three Watercolor Poppies:

We will be painting the poppies on a 15 x 20 cold press 140 lb. watercolor paper, provided by the chapter. The paints Annamarie uses are Mission Mijello watercolors and will also be provided by the chapter for members that sign up by the deadline.

We will be using one brush for the entire watercolor! This is a Dynasty, Black Gold #12203 Size14. We can order these and save shipping for a cost of \$12. Members need to request brushes by the deadline. You may also use a comparable brush you have one on hand.

When you contact our treasurer, Terry Niznik, at 719-330-0810, to pay your class fee of \$30, you may add the \$12 brush fee (the brush fee is not included in the \$30 class fee). Once you have paid for the class and contacted Carolyn your name will be added to the list of attendees. As a reminder, the chapter now accepts credit cards; and cash or checks are always welcome.

Annamarie needs a number of palettes by the deadline, so we can be assured of delivery from Canada.

As in previous seminars, we will make arrangements for you to pick up supplies in the Highlands Ranch area and in Colorado Springs. Your line drawing will be forwarded via email once we receive your payments.

Your Retreat Committee hopes you will all be able to join us for our 2021 Retreat on September 11. If you have questions, please feel free to contact Carolyn at cvculwell@bresnan.net.

PLEASE CALL TERRY WITH YOUR RESERVATION AND CREDIT CARD INFORMATION AND EMAIL CAROLYN WITH YOUR RESERVATION PRIOR TO THE DEADLINE, JULY 31, 2021.
